Mineral extraction from geothermal brines

29 September 2022 | 11:00 AM  10:00 AM  | Online

UNIDO ITPO Italy is pleased to invite you to attend its technical webinar “[Mineral extraction from geothermal brines](#)”, organized in collaboration with UGI - Italian Geothermal Union and GAK - Geothermal Association of Kenya, and taking place on [Thursday 29th September 2022 at 11:00 AM Kenya time](#) (10:00 AM CET - Italy time).

This initiative — dedicated to [Kenyan SMEs, institutions and associations in energy and environment](#), and which will feature the participation of relevant Italian stakeholders in the field — is part of the project “Fostering International Partnerships between companies and/or institutions operating in the Energy and Environment sectors” (#FIPEE) funded by the Italian Ministry of Ecological Transition and implemented by UNIDO ITPO Italy.

Goal of this webinar will be to introduce innovative Italian best practices in the field of geothermal energy, to facilitate [investment and technology transfer](#) within the energy and environment sectors of Kenya and promote [new business opportunities for sustainable development](#) in the country.
